

With the goal of our making a faith-filled offering of worship in giving back to God, we encourage each household to offer a pledge of giving intention for our fiscal year that begins May 1, 2022 and ends April 30, 2023.

Also, you will note that the form is anonymous. It will give the Governance Board data from which we can create a realistic budget. If financial circumstances arise where your giving changes we don't keep track, it's just a starting point.

During the services on the next two Sundays, March 13 and March 20, we have occasion to offer this expression of praise and thanksgiving, when these pledges can be placed in the collection basket. (If you are not in church those Sundays, you can email your pledge to our Financial Secretary at [finsecretary@uccmagnolia.org](mailto:finsecretary@uccmagnolia.org)).

Even if you already give online through Vanco, or plan to, we ask that you to fill out this card, so we can have a record of all giving pledges. Thank you!
